

3 SENIOR ARCHITECTS	49+ COMBINED YEARS	35+ REPUTABLE CLIENTS	60+ PROJECTS DELIVERED	20+ S/4HANA GO-LIVES	10+ INDUSTRIES
WHO WE ARE The expert who designs your solution is the one who builds it. Three senior SAP architects — all Switzerland-based, all reachable directly. Deep Fortune 500 experience meeting Swiss quality and process standards. No junior handoffs. No information loss. No discovery workshops. The right senior is on the engagement from day one, every day — not managing a team. Onboarded in days, not months. 80% of the impact at 20% of the usual overhead.		PROBLEMS WE REMOVE → Stalled or struggling SAP programme — mid-flight recovery, trust rebuilt, clean go-live → Performance crisis (100× lift achieved) — root-cause ABAP and data-model re-engineering → Integration gaps — SAP connected to any cloud, API, or payment rail in weeks → S/4HANA migration risk — scoping, custom-code assessment, cutover planning → Orphaned ABAP estate — senior-level ongoing support for code no one else will touch → Architecture decisions with no internal senior — monthly oversight without headcount → Swiss regulatory deadlines (QR-Rechnung, audit compliance) — delivered on time		WHY SWISS COMPANIES CHOOSE US CH Swiss GmbH · VAT-registered · Swiss law contract ✓ Senior from day one — on every engagement, every day ✓ 24-hour response guarantee to all enquiries ✓ NDA on same-day request, at no charge ✓ Fixed-price options available on request ✓ On-site or remote across Switzerland ✓ Straight answers — no surprises on quality or timing Pharma · Finance · Agribusiness · Oil & Gas · Public Sector · Retail · Travel · Biotech · Manufacturing · Swiss SME	

Four Engagement Models · Transparent Pricing

All rates CHF · excl. VAT (MWST) · Fixed-price available on request

Architect on Retainer MONTHLY 8,000 CHF / month · from 2–4 architect days included → Architecture decisions & technical governance → S/4HANA, BTP & integration design reviews → Up to 4 sync sessions/month + async Q&A → Go-live escalation support → Senior oversight without full-time headcount	The Focused Sprint DAY-RATE · FIXED-PRICE 2,200 CHF / day · typical 5–15 days Fixed-price available → Strategy, architecture & partner selection → SAP ↔ modern stack integrations (APIs, AI) → Fiori / RAP / BTP MVP delivery → S/4HANA migration scoping & roadmap → Scoped, time-boxed, deliverable-based	Legacy Guardian MONTHLY · SUPPORT 6,000 CHF / month · 3-day bucket Unused days roll over → ECC / S/4 ABAP support & monitoring → Bug triage, performance tuning, fixes → Functional evolution without re-implementation → Senior coverage for estates others won't touch → Rollover model — no days wasted at month end	R&D Forge POC · DAY-RATE 2,200 CHF / day · POC 10–20 days Fixed-price POC packages available → SAP ↔ AI / LLM agent integrations → Python data pipelines from SAP sources → BTP cloud-native & side-by-side prototypes → Proof-of-concept delivered in 2–4 weeks → Bring the unusual problem — we build what others call unfeasible
